The focus is on affordability:

Our research with Probus committee members in February and March 2020 puts each of the following at between 9 and 10 on a scale of importance and this is where we are putting our focus:

- Affordability (10)
- Value for money (9.8)
- Flexible package options to suit different budgets (9.5)
- Time-saving inc. trip planning, pricing, co-ordination (8.7)

National Seniors members undoubtedly have the same interests with many Probus members also being members of National Seniors.

access. Thereafter your branch membership will be renewed annually for free for so long as your branch is active. Each year you have a chance to move to a higher membership level based on booking activity and earn amazing extra rewards such as Free Flights Vouchers, hotel upgrades and more.

Full member access:

Once your branch membership is registered, you and fellow members will have full access to Australian Escapes Holiday & Travel Club member pricing and trip planning services on all types of day trips, multi-day trips, leisure accommodation and travel.

How to use your branch membership to plan a trip:

Once registered, you will be sent details to log in to our website. There you can request a quote for any type of package; for example, ask about one of our multi-day trips that are perfect as special, affordable, group getaways. An experienced travel consultant will then contact you to discuss your wants, needs and interests and follow with a trip plan. Alternatively, you can call our 1800 number (1800 669 579) and ask to speak to a travel consultant.

No catches and no obligation to book:

We'll provide you with a trip plan (including pricing) initially that you can compare to others and take to a committee meeting if suitable. You do not have to book with us. You do not have to pay a cent until and unless you are ready to place a booking. Visit our website or click the link below to go to Product Review and read the real testimonials. Everything we do and offer is 100% genuine.
