

GETAWAY CASH IS HOW YOU RECEIVE AND KEEP TRACK OF THE AMOUNT OF DISCOUNTS YOU RECEIVE AS A MEMBER

YOUR GETAWAY CASH ACCOUNT

HOLIDAY PACKAGE

When you join, you receive club discount points called "Getaway Cash Travel Credits". They are used to reduce the price of your holidays from retail down to wholesale.

There are two types of discount credits in your Getaway Cash account:

VALUE GUARANTEE CREDITS

First we issue you with 3 times your membership investment in Getaway Cash points called "Value Guarantee Credits". When you have used those you have received a 300% return on your investment in genuine holiday discounts. See "GETAWAY SAVINGS GUARANTEE" below for details.

BONUS CREDITS

Getaway Cash points issued over and above the value guarantee level are called "Bonus Credits". They give you the same dollar-for-dollar saving as Value Guarantee credits. We want you to use as much GCash as possible because we want you to get as much value as possible from being a member. Bonus credits must be used within the current membership period.

GETAWAY SAVINGS GUARANTEE

MINIMUM 300% RETURN ON MEMBERSHIP INVESTMENT

300%
VALUE GUARANTEE

Use Getaway Cash to:

1. Save what you paid for your membership *plus*
2. Save double that amount again... Or we'll renew your membership for up to two years for free! Plus we'll pay you 10% "interest credits" on your unused Getaway Cash balance. Simple as that. No renewal fees, no charges. We give you that extra time to get full value from your membership. (Conditions apply. Visit website for details.)

START USING YOUR GETAWAY CASH

The only way you benefit as a member is to use your membership and get away! What are you waiting for? Only Australian Escapes Getaway Cash gives you the assurance that you will save on your holidays with the Getaway Savings Guarantee.

Getaway Cash gives you access to wholesale travel pricing. The amount of Getaway Cash travel credits you can use on a booking is based on the amount of retail margin available.

Example (international travel)

Retail price: \$3,000

Less Getaway Cash travel credits (retail margin): \$540

Amount you pay (wholesale price): \$2,460

A world of holiday savings!.. 

FREQUENTLY ASKED QUESTIONS

CAN I USE MY GETAWAY CASH ACCOUNT TO PAY FOR THE FULL AMOUNT OF A HOTEL, RESORT OR TRAVEL BOOKING?

No. There is always an amount that you will be required to pay from your own money. Getaway Cash is a discount points system for part payment of bookings, up to the limit set by us, based on available retail margin.

WHAT HAPPENS TO MY GETAWAY CASH IF I DON'T USE IT ALL?

To retain the use of your Getaway Cash account you must remain a full member of Australian Escapes Holiday & Travel Club. This is quite economical and every dollar you invest in your membership is returned to you in Getaway Cash travel credits to come off the price of your holidays.

HOW DO I TOP-UP MY GETAWAY CASH ACCOUNT TO RECEIVE MORE TRAVEL DISCOUNTS?

If your Getaway Cash account needs to be topped up this can easily be done when you call to book your next short-break or holiday; or you can call on: 1800 669 579 anytime.

MORE INFORMATION

For the latest hot deals, product information and more frequently asked questions visit us at: www.australianscapes.com.au

HOW DOES GETAWAY CASH REWARD THE SEASONED TRAVELLER?

If you travel regularly you want to be sure that you receive the best service and a trouble-free, stress-free holiday every time as well as the best prices. Getaway Cash travel credits combined with our travel expertise are how you are assured of the best value.

CAN I SHARE MY GETAWAY CASH ACCOUNT WITH A FRIEND OR FAMILY MEMBER?

Yes. To share your Getaway Cash account and other membership benefits with friends or family simply give them your membership number to use when making a booking enquiry on the website or by phone. Your account can also be fully transferred to another person.

WHAT ARE INTEREST CREDITS?

Interest credits are earned on the unused balance of your account, so even if you don't get to use your account this year, you're building up credits to use in the future.
